Issue 2

October 15, 2006

## 9th Annual Golf Tournament a success!

We couldn't have asked for a more perfect day—clear, sunny and just the right temperature.

We netted a profit of over **\$26,000** for our Chapter and had fun doing it.

Check out our website to see more photos of the fun we had.

*Hope to see you there next year!*

## Volunteer Spotlight Mark S. Reid

A long time volunteer and supporter of the American Red Cross, Mark started his volunteer service through Mass Bay Boston, some twenty years ago. He volunteers his time between three different Chapters, while still teaching First Aid to Scouts.

Mark is always there—from working the Boston Marathon, to being called out to fires in the middle of the night, to attending countless events.

He manages to teach at least two classes every month for our Chapter!

He has received a National Award to recognize his dedication.

Judging from all the thank you cards he has received over the years, folks think he is pretty special.

**AND WE DO, TOO!!  
Mark, thanks for ALL you do!!**

Haven't been to a DAT meeting lately? Come on 11/6 and catch up with the team and participate in a table-top drill.
